

Good-bye to a good one

Dear Editor:

The Vail Valley has lost a favorite son, and the Roaring Fork Valley a dynamic businessman and trusted friend. Gerald Gallegos' largesse benefited numerous organizations in the Roaring Fork Valley and touched the lives of thousands.

It has been said that the success of a business can be judged by the people it helps. By this, and every other measure, Gerald was a superstar (galactico).

Gone too soon, big fella! Gone too soon ... RIP!
