

Remembering GERALD GALLEGOS

He helped BUILD strong Foundations for
children and community.

Gerald and his wife, Suzanne with their two daughters, Hillary and Caroline

For fourteen years, Gerald gave to The Youth Foundation generously with his time, his heart, his leadership, and financial altruism. As one of the Founders, a former Board Chair, and Board Member since The Youth Foundation's inception, Gerald's benevolence carried through all his actions. Gerald was hands-on, directly involved in ways to best help youth. Whether it was handing out Easter eggs to children, cheering on a soccer team, mentoring a scholar, or reading to a child, Gerald was engaged, giving of himself.

We will remember him this way... in the middle of a group of children, with a smile on his face and a warm and open heart.
